**Subject:** FW: Tronox NAUM: Final Tronox Agenda (August 19-20, 2015)

Due to the ongoing emergency response related to the Gold King Mine incident involving

numerous staff members in Region 6, Region 9 and the Navajo Nation, we would like to respectfully request that the joint TRONOX meeting scheduled for August 19 and 20 be postponed. Many of the key TRONOX players are very involved in the GKM response and would not be able to attend the meeting next week.
